

To Whom It May Concern:

It is my pleasure to write this letter of recommendation for Kristina Persall. I had the privilege of working alongside Kristina during her time as the Event Coordinator for Okinawa Stray Pet Rescue, and I can confidently say that she was one of the driving forces behind the organization's success.

Kristina consistently demonstrated an exceptional level of creativity, professionalism, and dedication in everything she undertook. As Event Coordinator, she had a remarkable ability to transform ideas into engaging, well-executed events that not only increased community involvement but also advanced the organization's mission of rescuing and caring for abandoned and neglected animals. Her innovative thinking brought fresh perspectives to fundraising, volunteer engagement, and public outreach, helping the organization build stronger relationships within the community.

Beyond her creativity, Kristina's commitment to animal welfare was evident in every aspect of her work. She approached each project with genuine compassion and an unwavering determination to improve the lives of the animals in our care. She never viewed her role as simply organizing events—it was a personal mission that she pursued with enthusiasm, integrity, and heart.

Kristina was also an incredibly dependable team member. She consistently went above and beyond expectations, willingly taking on additional responsibilities whenever needed. Her positive attitude, strong work ethic, and ability to motivate those around her made her a respected leader among volunteers and staff alike. She remained calm under pressure, solved problems proactively, and inspired others through her passion and dedication.

Perhaps what stood out most about Kristina was her genuine love for the organization and its mission. Her enthusiasm was contagious, and her dedication encouraged others to become more involved and invested in the success of the rescue. She made a lasting impact not only on the organization but also on the countless animals and people whose lives she touched.

I recommend Kristina Persall without reservation. Any organization would be fortunate to have someone with her creativity, compassion, leadership, and commitment. I am confident she will bring the same level of excellence, passion, and integrity to any opportunity she pursues.

Sincerely,
