Kristina Ranae Persall

has successfully completed the online Specialization

E-Marketing

In this Specialization, learners successfully completed course materials relating to the current landscape of the digital business environment, and identified strategies to define, attract, and engage an audience online. Learners developed a digital marketing plan designed to meet goals and objectives for a new business, product, or service, and created a marketing strategy that leverages social media, mobile marketing, and landing page best practices. Finally, learners explored how to apply testing and analytics to optimize marketing efforts and improve business outcomes.
